Capital Project Ordinance Amendment  
(Action item)

Explanation:

Council approved Capital Project Ordinance #O-2007-04 on May 8, 2008, for the purpose of constructing and renovating our town hall.

All construction is complete, including the final installation of various fixtures, attic flooring, and built-in shelving that were performed “in-house” after substantial completion of the building by Book Construction, but which are still permanent parts of the capital asset.

The Finance Officer is now requesting that Council approve ordinance #O-2009-02, which amends the original Capital Project Ordinance by summarizing the final amounts transferred from the General Fund into the Town Hall Capital Project Fund and declaring the Project Fund to be “closed out”.

The final cost of the Town Hall project was \$487,288.50. This full amount has been transferred from the General Fund and all monies have been paid out. The project did not exceed the amount of \$500,000 authorized by the original Capital Project Ordinance.

A detailed summary of each expenditure and supporting transfer accompanies this ordinance.
