PROJECT ORDINANCE AUTHORIZING CONSTRUCTION OF A GREENWAY PARKING AREA AT THE MCNEELY ROAD TRAILHEAD

O-2011-01

Pursuant to section 13.2 of Chapter 159 of the General Statutes of North Carolina, the following project ordinance is hereby adopted:

Section 1: The project involves the construction of a gravel parking lot of approximately 18,000 square feet with separate entrance and exit driveways in the 6300 block of McNeely Road. The purpose of this parking lot is to provide the public with access to the town's greenway, with facilities for automobile and horse trailer parking.

The work will take place in two phases:

- 1. Clearing, grading, and finishing of the parking lot and driveways, including post-construction stormwater measures
- 2. Landscaping portions of the site adjoining the parking areas and providing informational signage and amenities such as picnic tables and horse hitching posts

The town has sought construction bids from qualified grading contractors for work described in item 1 of the above schedule and has awarded a contract to <u>McCollum Trucking and Grading</u> in the amount of <u>\$63,064.00</u> which may increase based on job conditions.

The town will seek separate estimates for work described in item 2 of the above schedule. Some work may be handled "in-house".

Section 2: It is estimated that the following revenues will be available to complete those projects described in section 3:

General Fund Balance	\$75,370
Total	\$75,370

Section 3: The following amounts are appropriated for the projects of the Community Center Capital Project fund:

Construction, Grading, and Supervision (Item #1)	\$69,370
Landscaping, Signage, and Amenities (Item #2)	\$6,000
Total	\$75,370

Section 4: The Finance Officer is authorized to approve any change orders to the grading contractor's contract if they arise, up to the total amount authorized for "Item #1" by this Ordinance.

Section 5: The Finance Officer is authorized to approve expenditures under "Item #2" up to Five Hundred Dollars (\$500.00) for any individual expenditure. Contracts or individual expenditures above that amount must be approved by the town council.

Section 6: The Finance Officer is hereby directed to maintain, within the Greenway Parking Lot Capital Project Fund sufficient detailed accounting records for the project authorized.

Section 7: The Finance Officer is directed to report annually on the financial status of the Greenway Parking Lot Capital Project Fund.

Section 8: The Finance Officer is authorized to transfer funds as required from the General Fund balance into the Greenway Parking Lot Capital Project Fund.

Section 9: Copies of this Greenway Parking Lot Capital Project Ordinance shall be filed with the Town Clerk and the Finance Officer.

ADOPTED this the <u>11th</u> day of August, 2011.
