The Town Council of the Town of Mineral Springs, North Carolina, met in Public Hearing and Regular Session at the Mineral Springs Town Hall located at 3506 Potter Road S, Mineral Springs, North Carolina, at 7:30 p.m. on Thursday, June 8, 2023.

- Absent: Councilwoman Janet Critz and Attorney Bobby Griffin.
- Staff Present: Town Clerk/Zoning Administrator Vicky Brooks and Administrative Assistant/Deputy Town Clerk Sharelle Quick.

Visitors: Sheila Crunkleton.

1. Opening

With a quorum present at 7:30 p.m. on June 8, 2023, Mayor Becker called the meeting to order.

Councilwoman Cureton delivered the invocation.

Pledge of Allegiance.

2. Public Hearing – FY2023-2024 Proposed Budget

Mayor Becker opened the public hearing at 7:32 p.m.

There were no public comments on the FY2023-2024 Proposed Budget.

Mayor Becker closed the public hearing at 7:32 p.m.

3. Public Comments

None.

4. Consent Agenda – Action Item

Ms. Vicky Brooks pointed out a correction on page 71, item #3 "Councilwoman Muller" should be "Councilman Muller."

Councilman Muller motioned to approve the consent agenda as corrected containing the May 11, 2023 Regular Meeting Minutes, the April 2023 Union County Tax Report, and the April 2023 Finance Report and Councilwoman Cureton seconded. The motion passed unanimously. Ayes: Coffey, Countryman, Cureton, Krafft, and Muller. Nays: None.

5. American Red Cross Presentation

American Red Cross Sheila Crunkleton made a presentation to the council and stated she hoped the council continued to support the Disaster Services in Union County.

- Union County (Indian Trail) is one of two sites across the entire United States picked to have a fixed site for blood donations. Being a permanent site means they will also do platelet donations. The center is scheduled to open in the first part of September.
- Platelet donations are used for clotting the blood and approximately 50% of platelet donations go to cancer patients.

More information is available at www.redcrossblood.org.

6. Consideration of the 2022-2023 Nonprofit Contributions – Action Item

Mayor Becker explained this was a chance for the council to consider the four nonprofits on the list. American Red Cross and Turning Point have requested a \$500 increase this year over last year. Council on Aging is doubling their mission and requested a \$2,000 increase. If the council were to give them the \$2,000 increase, there would not be enough left [in the budget] to give the old donations to the rest. Catawba Lands Conservancy did not request a change or special partnership amount. Mayor Becker suggested if the council increased everyone by \$500, it would keep the amount for all nonprofits at \$11,000 and the town would stay below the budget.

Councilman Countryman motioned to approve, to provide funding to all of these four organizations at their last year limit plus \$500 and Councilwoman Krafft seconded. The motion passed unanimously. Ayes: Coffey, Countryman, Cureton, Krafft, and Muller. Nays: None.

7. Consideration of the FY2023-2024 Budget - Action Item

Mayor Becker explained there were no changes since the proposed budget was presented to the council [in May]. The FY2023-2024 budget was the subject of the public hearing this evening.

Councilwoman Coffey motioned to approve the budget as presented, adopting O-2022-07 and Councilwoman Cureton seconded. The motion passed unanimously. Ayes: Coffey, Countryman, Cureton, Krafft, and Muller. Nays: None.

Mayor Becker noted there was not a tax rate increase and since there was not a reevaluation at the county level, the taxes will stay the same for the upcoming year, unless someone has a lot more personal property, or they built an addition.

8. Staff Updates

Mayor Becker referred to the frozen backflow preventor that happened on a 16-degree winter night and explained he finally got it fixed a couple weeks ago. It was multiple parts, the backflow preventor that had frozen/cracked and there was the pressure regulator/reducer in the enclosure that had plastic parts that cracked and were leaking. It took multiple attempts to fix it and \$300 worth of parts, which beats what a plumber would have charged the town. Mayor Becker mentioned in order to prevent it from happening in the future, he enlarged the concrete pad, bought a new cover, and will put a heater in there since there is a plug built-in that will be tied into a freezeproof thermostat. Additionally, U-bolts were put in the concrete so the cover (on the park side) can be padlocked down.

Mayor Becker reported that he had spoken with Neill Burke, the Secretary of CRTPO (informally) about a small (\$20,000 - \$30,000 range), "high elevation", general feasibility sidewalk plan for the downtown area [grant]. Mr. Burke responded back to Mayor Becker saying he thought there would not be a problem getting approval, because they have certain engineers set in sequence that would get to do this little project. It is a very general thing, but it will open the town's ability to get a grant or at least to have a starting point for getting the actual design work done.

Mayor Becker reminded the council that the intersection downtown was a \$5,500,000 turn lane project that the town is hoping to put through as an STBGDA project, which is a federally-funded project outside of the NCDOT STIP (the regular transportation plan). The town would need at least \$1,200,000, more like a \$1,500,000 match with no guarantee. Mayor Becker explained he informally presented both to NCDOT and CRTPO with some emails back and forth. Bjorn Hansen, from the county, who has been coordinating the critical intersections, has weighed in with the NCDOT to say it was an important project. The NCDOT design engineer said in an email to Mayor Becker that they still prefer these intersections being DA projects with the local match, but they would look at putting it in as a division project for P7.0, which is the upcoming STIP scheduling.

Ms. Brooks informed the council that the newsletter would be going out on Monday or Tuesday of next week.

9. Other Business

Ms. Brooks mentioned to the council that Ms. Quick had been talking to the people at Cork and Ale in Waxhaw who are interested in being a festival sponsor; however, they also wanted to have some wine samples [tasting] and to sell their bottles of wine at the festival, but the town has an illegal drug and alcohol policy.

Mayor Becker explained when the town was getting the grant from the Clean Water Management Trust Fund, there was a requirement from the state for the town to adopt a drug free workplace policy. At that time, the town also adopted a policy for an alcohol-free policy on town premises, so with a policy like that in place, the town could not have a sponsor like Cork and Ale. Mayor Becker added that he did not know why the town did the policy that way, but it was back when everything was dry; there was a county-wide beer and wine ban. Mayor Becker asked the council if they wanted to look at amending the policy for special events only.

Councilman Countryman responded that he thought the town could amend the ordinance, because life had moved on and beverages are sold in the area now. The policy could be changed for specific functions, not just in general use, but it would open the door for something like the festival and it would still be very limited.

Councilwoman Coffey agreed.

Councilwoman Krafft stated she liked the idea for special events.

Mayor Becker mentioned in those cases there may be more law enforcement, which would be more oversight.

Councilman Countryman mentioned there was a great winery down the road that may someday want to be a sponsor. "I think, it's very reasonable to have an amendment to the ordinance that offer, that offers that situation during special events."

Councilman Muller suggested the council would have to discuss what the special events criteria would be. In the meantime, if that did not happen fast enough, could the town look at doing a special use permit.

Ms. Brooks responded no, because it is a town policy, not an ordinance. Ms. Brooks explained she was trying to get a feel from the council if they were willing to consider a policy amendment.

Mayor Becker commented that he and Ms. Brooks would look at the current policy and do some highlighting of it and present it to the council next month for discussion.

Councilwoman Coffey responded, "definitely and it needs to be ready for this festival".

Mayor Becker commented there was a pretty strong consensus that the council would like to have Cork and Ale be able to have the wine tasting.

10. Adjournment – Action Item

At 8:33 p.m. Councilman Countryman motioned to adjourn the meeting and Councilwoman Coffey seconded. The motion passed unanimously. Ayes: Coffey, Countryman, Cureton, Krafft, and Muller. Nays: None.

The next regular meeting will be on Thursday, July 13, 2023 at 7:30 p.m. at the Mineral Springs Town Hall.

TOWN OF MINERAL SPRINGS ILLEGAL DRUG ABUSE/ALCOHOL ABUSE POLICY

This policy is implemented because the Mineral Springs Governing Body believes that the impairment of any the Town of Mineral Springs employee due to his or her use of illegal drugs or due to alcohol abuse is likely to result in the risk of injury to other employees, the impaired employee, or to third parties, such as residents or office guests. Moreover, illegal drug abuse adversely affects employee morale and productivity.

"Impairment" or "being impaired" means that an employee's normal physical or mental abilities or faculties while at work have been detrimentally affected by the use of illegal drugs or alcohol.

The employee who begins work while impaired or who becomes impaired while at work is guilty of a major violation of town rules and is subject to severe disciplinary action. Severe disciplinary action can include suspension, dismissal, or any other penalty appropriate under the circumstances. Likewise the use, possession, transfer or sale of any illegal drugs (as defined in the North Carolina Controlled Substances Act, NC G. S. § 90-86 through 90-113.8) on the town office premises or in any the Town of Mineral Springs storage areas or job sites are prohibited. Employees who violate this rule are subject to severe disciplinary action. In all instances disciplinary action to be administered shall be at the sole discretion and determination of the Mineral Springs Town Council.

When an employee is involved in the use, possession, transfer, or sale of illegal drugs in violation of this policy, the town may notify appropriate authorities. Such notice will be given only after such an incident has been investigated and reviewed by the employee's supervisor. The Town of Mineral Springs is aware that illegal drug abuse is a complex health problem that has both physical impact and an emotional impact on the employee, his or her family, and social relationships. A drug abuser is a person who uses illegal drugs, as defined above, for nonmedical reasons, and this use affects job performance detrimentally or interferes with normal social intercourse at work. Illegal drug abuse is both a management and a medical problem.

A supervisor who suspects a drug or alcohol abuse case should discuss the situation immediately with the town administrator, who will advise the town council. Because each case is usually different, the handling and referral of the case must be coordinated with the supervisor.

Applicants who have a past history of substance abuse and who have demonstrated an ability to abstain from the substance, or who can provide medical assurance of acceptable control, may be considered for employment as long as they are otherwise qualified for the position for which they are applying.

The town has chosen to adopt an alcoholic beverage policy in keeping with the concern for and the risks associated with alcohol use. Alcoholic beverages shall not be served or used on the Town of Mineral Springs premises at any time, with the exception of a permitted festival or other special event in which a vendor or sponsor of such event has been approved by the event director to offer samples of beer or wine in order to make sales of their product.

The town is concerned with its employees' privacy, especially when matters regarding medical and personal information are involved. The town shall maintain employee medical and personal information in confidence and release this information only in accordance with North Carolina General Statute §160A-168.

Nothing contained in this policy shall eliminate or modify the town's right to terminate any employee at any time for any reason.

July 5, 2023

To the Town Council and Management Town of Mineral Springs PO Box 600 Mineral Springs, NC 28108

I am pleased to confirm my understanding of the services I am to provide the Town of Mineral Springs for the year ended June 30, 2023.

Audit Scope and Objectives

I will audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of the Town of Mineral Springs as of and for the year ended June 30, 2023. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the Town of Mineral Springs's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of my engagement, I will apply certain limited procedures to the Town of Mineral Springs's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I will not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) Budgetary Comparison Schedules.

I have also been engaged to report on supplementary information other than RSI that accompanies the Town of Mineral Springs's financial statements. I will subject the following supplementary information to the auditing procedures applied in my audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and will provide an opinion on it in relation to the financial statements as a whole:

- 1) Schedule of Revenues, Expenditures and Changes in Fund Balances, Budget and Actual General Fund.
- Schedule of Revenues, Expenditures and Changes in Fund Balances Budget to Actual From Inception CSLFRF Grant Project Special Revenue Fund.

The objective of my audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. My audit will be conducted in accordance with auditing standards generally accepted in the United States of America, and will include tests of the accounting records of Town of Mineral Springs and other procedures I consider necessary to enable me to express such opinions. I will issue a written report upon completion of my audit of Town of Mineral Springs's
financial statements. My report will be addressed to management and Council of Town of Mineral Springs. I cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for me to modify my opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements are other than unmodified, I will discuss the reasons with you in advance. If, for any reason, I am unable to complete the audit or are unable to form or have not formed opinions, I may decline to express opinions or to issue a report as a result of this engagement.

Auditor's Responsibilities for the Audit of the Financial Statements

I will conduct my audit in accordance with GAAS and will include tests of your accounting records and other procedures I consider necessary to enable me to express such an opinion. As part of an audit in accordance with GAAS, I exercise professional judgement and maintain professional skepticism throughout the audit.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, my audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because I will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by me, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, I will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to my attention. I will also inform the appropriate level of management of any material regulations that come to my attention, unless clearly inconsequential, and of any material abuse that comes to my attention. My responsibility as auditor is limited to the period covered by my audit and does not extend to any later periods for which I am not engaged as auditor.

My procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. I will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of my audit, I will require certain written representations from you about the financial statements and related matters.

My audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, I will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, I will perform tests of the Town of Mineral Springs's compliance with provisions of applicable laws, regulations, contracts, and agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and I will not express such an opinion.

Other Services

I will also assist in preparing the financial statements of the Town of Mineral Springs in conformity with U.S. generally accepted accounting principles based on information provided by you. I will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. I, in my sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Responsibilities of Management for the Financial Statements

My audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with U.S. generally accepted accounting principles.

Management is also responsible for making all financial records and related information available to me and for the accuracy and completeness of that information. You are also responsible for providing me with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that I may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom I determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to me in the management representation letter that the effects of any uncorrected misstatements aggregated by me during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing me about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing me of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws and regulations.

You are responsible for the preparation of the supplementary information in conformity with U.S. generally accepted accounting principles. You agree to include my report on the supplementary information in any document that contains and indicates that I have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes my report thereon. Your responsibilities include acknowledging to me in the representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to me any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

You agree to assume all management responsibilities for financial statement preparation services and any other nonattest services I provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Engagement Administration, Fees, and Other

I may from time to time, and depending on the circumstances, use third-party service providers in serving your account. I may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, I maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, I will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and I will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that I am unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, I will remain responsible for the work provided by any such third-party service providers.

I understand that your employees will locate any documents selected by me for testing.

I expect to begin my audit in August/September 2023 and to issue my reports no later than October 31, 2023. Kendra Gangal is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. My fee for these services will be at my standard hourly rates including out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that I agree that my gross fee, including expenses, will not exceed \$5,230. My standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit.

My invoices for these fees will be rendered each month as work progresses and are payable on presentation. If I elect to terminate my services for nonpayment, my engagement will be deemed to have been completed upon written notification of termination, even if I have not completed my reports. You will be obligated to compensate me for all time expended and to reimburse me for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the

audit. If significant additional time is necessary, I will discuss it with you and arrive at a new fee estimate before I incur the additional costs.

I appreciate the opportunity to be of service to the Town of Mineral Springs and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let me know. If you agree with the terms of our engagement as described in this letter, please sign, and return it to me.

Very truly yours,

Kendra Gangal, CPA

hereby agree as follows:

1. The Auditor shall audit all statements and disclosures required by U.S. generally accepted auditing standards (GAAS) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit(s). The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business- type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types). The basic financial statements shall include budgetary comparison information in a budgetary comparison statement, rather than as RSI, for the General Fund and any annually budgeted Special Revenue funds.

2. At a minimum, the Auditor shall conduct the audit and render the report in accordance with GAAS. The Auditor shall perform the audit in accordance with *Government Auditing Standards (GAGAS)* if the Governmental Unit expended \$100,000 or more in combined Federal and State financial assistance during the reporting period. The auditor shall perform a Single Audit if required by Title 2 US Code of Federal Regulations Part 200 Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards, Subpart F (Uniform Guidance) or the State Single Audit Implementation Act. This audit and all associated audit documentation may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit requires a federal single audit in accordance with the Uniform Guidance (§200.501), it is recommended that the Auditor and Governmental Unit(s) jointly agree, in advance of the execution of this contract, which party is responsible for submission of the audit and the accompanying data collection form to the Federal Audit Clearinghouse as required under the Uniform Guidance (§200.512).

Effective for audits of fiscal years beginning after June 30, 2023, the LGC will allow auditors to consider whether a unit qualifies as a State low-risk auditee based upon federal criteria in the Uniform Guidance §200.520(a), and (b) through (e) as it applies to State awards. In addition to the federal criteria in the Uniform Guidance, audits must have been submitted timely to the LGC. If in the reporting year, or in either of the two previous years, the unit reported a Financial Performance Indicator of Concern that the audit was late, then

the report was not submitted timely for State low-risk auditee status. Please refer to "Discussion of Single Audits in North Carolina" on the LGC's website for more information.

If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board).

3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 - §600.42.

4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit, the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the LGC Staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.

5. If this audit engagement is subject to the standards for audit as defined in *Government Auditing Standards*, 2018 revision, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he/she has met the requirements for a peer review and continuing education as specified in *Government Auditing Standards*. The Auditor agrees to provide a copy of the most recent peer review report to the Governmental Unit(s) and the Secretary of the LGC prior to the execution of an audit contract. Subsequent submissions of the report are required only upon report expiration or upon auditor's receipt of an updated peer review report. If the audit firm received a peer review rating other than pass, the Auditor shall not contract with the Governmental Unit(s) without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.

If the audit engagement is not subject to *Government Auditing Standards* or if financial statements are not prepared in accordance with U.S. generally accepted accounting principles (GAAP) and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment to this contract or in an amendment.

6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to LGC Staff within four months of fiscal year end. If it becomes necessary to amend the audit fee or the date that the audit report will be submitted to the LGC, an amended contract along with a written explanation of the change shall be submitted to the Secretary of the LGC for approval.

7. It is agreed that GAAS include a review of the Governmental Unit's (Units') systems of internal control and accounting as same relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his/her findings, together with his recommendations for improvement. That written report shall include all matters defined as "significant deficiencies and material weaknesses" in AU-C 265 of the *AICPA Professional Standards (Clarified)*. The Auditor shall file a copy of that report with the Secretary of the LGC.

For GAAS or *Government Auditing Standards* audits, if an auditor issues an AU-C §260 report, commonly referred to as "Governance Letter," LGC staff does not require the report to be submitted unless the auditor cites significant findings or issues from the audit, as defined in AU-C §260.12 - .14. This would include issues such as difficulties encountered during the audit, significant or unusual transactions, uncorrected misstatements, matters that are difficult or contentious reviewed with those charged with governance, and other significant matters.

LGC-205

8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit's records for audit, financial statement preparation, any finance-related investigations, or any other audit- related work in the State of North Carolina. Approval is also required for the Alternative Compliance Examination Engagement for auditing the Coronavirus State and Local Fiscal Recovery Funds expenditures as allowed by US Treasury. Approval is not required on audit contracts and invoices for system improvements and similar services of a non-auditing nature.

9. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit(s) until the invoice has been approved by the Secretary of the LGC. This also includes any progress billings [G.S. 159-34 and 115C-447]. All invoices for audit work shall be submitted in PDF format to the Secretary of the LGC for approval. the invoice marked 'approved' with approval date shall be returned to the Auditor to present to the Governmental Unit(s) for payment. This paragraph is not applicable to contracts for audits of hospitals.

10. In consideration of the satisfactory performance of the provisions of this contract, the Governmental Unit(s) shall pay to the Auditor, upon approval by the Secretary of the LGC if required, the fee, which includes any costs the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (federal and state grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts. This does not include fees for any pre-issuance reviews that may be required by the NC Association of CPAs (NCACPA) Peer Review Committee or NC State Board of CPA Examiners (see Item 13).

11. If the Governmental Unit(s) has/have outstanding revenue bonds, the Auditor shall submit to LGC Staff, either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to LGC Staff simultaneously with the Governmental Unit's (Units') audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.

12. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis,

(b) the financial statements and notes of the Governmental Unit(s) and all of its component units prepared in accordance with GAAP, (c) supplementary information requested by the Governmental Unit(s) or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board upon completion.

13. If the audit firm is required by the NC State Board, the NCACPA Peer Review Committee, or the Secretary of the LGC to have a pre-issuance review of its audit work, there shall be a statement in the engagement letter indicating the pre-issuance review requirement. There also shall be a statement that the Governmental Unit(s) shall not be billed for the pre-issuance review. The pre-issuance review shall be performed prior to the completed audit being submitted to LGC Staff. The pre-issuance review report shall accompany the audit report upon submission to LGC Staff.

LGC-205

CONTRACT TO AUDIT ACCOUNTS

14. The Auditor shall submit the report of audit in PDF format to LGC Staff. For audits of units other than hospitals, the audit report should be submitted when (or prior to) submitting the final invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the LGC by any interested parties. Any subsequent revisions to these reports shall be sent to the Secretary of the LGC. These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit(s) without requiring consent of the Auditor. If the LGC Staff determines that corrections need to be made to the Governmental Unit's (Units') financial statements and/or the compliance section, those corrections shall be provided within three business days of notification unless another deadline is agreed to by LGC Staff.

15. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the Secretary of the LGC, this contract may be modified or amended to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.

If an approved contract needs to be modified or amended for any reason, the change shall be made in 16. writing and pre-audited if the change includes a change in audit fee (pre-audit requirement does not apply to hospitals). This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted to the Secretary of the LGC for approval. No change to the audit contract shall be effective unless approved by the Secretary of the LGC, the Governing Board, and the Auditor.

A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the 17. Governmental Unit(s), shall be attached to this contract, and except for fees, work, and terms not related to audit services, shall be incorporated by reference as if fully set forth herein as part of this contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item 30 of this contract. Engagement letters containing indemnification clauses shall not be accepted by LGC Staff.

18. Special provisions should be limited. Please list any special provisions in an attachment.

19. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in the Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the primary government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and finance officer also shall be included on this contract.

20. The contract shall be executed, pre-audited (pre-audit requirement does not apply to hospitals), and physically signed by all parties including Governmental Unit(s) and the Auditor, then submitted in PDF format to the Secretary of the LGC.

21. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. The audit should not be started before the contract is approved.

22. Retention of Client Records: Auditors are subject to the NC State Board of CPA Examiners' Retention of Client Records Rule 21 NCAC 08N .0305 as it relates to the provision of audit and other attest services, as well as non-attest services. Clients and former clients should be familiar with the requirements of this rule prior to requesting the return of records.

24. The Governmental Unit's (Units') failure or forbearance to enforce, or waiver of, any right or an event of breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

25. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.

26. E-Verify. Auditor shall comply with the requirements of NCGS Chapter 64 Article 2. Further, if Auditor utilizes any subcontractor(s), Auditor shall require such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.

If the Auditor is able to identify an individual with the appropriate SKE, s/he must document and include in the audit workpapers how he/she reached that conclusion. If the Auditor determines that an individual with the appropriate SKE cannot be identified, the Auditor cannot perform both the non-attest service(s) and the audit. See "Fees for Audit Services" page of this contract to disclose the person identified as having the appropriate SKE for the Governmental Unit.

28. **Applicable to audits with fiscal year ends of June 30, 2021 and later.** The auditor shall present the audited financial statements including any compliance reports to the government unit's governing body or audit committee in an official meeting in open session as soon as the audited financial statements are available but not later than 45 days after the submission of the audit report to the Secretary. The auditor's presentation to the government unit's governing body or audit committee shall include:
